It is strongly recommended that our guests play the tees appropriate to their current ability.

Pace of play

A fourball should take no more time than 4 hours and 30 minutes to complete their round.

Distance and directional marker (black-and-white post)

The only distance marker on each hole is a black-and-white post, placed 150 meters from the centre of the green, roughly in the middle of the fairway.

Walking only

Sand Valley Golf & Country Club remains true to the time honoured tradition by operating as a walking facility.

Caddies

Caddies are provided for the convenience of our guests and members.

Golf Etiquette

1. Smart casual sportswear is expected.
2. Please act respectfully towards the golf course and other golfers by replacing divots, fixing the marks on the greens and raking the bunkers.

Local Rules

1. Roads and paths are integral parts of the course.
2. Waste bunkers (identified by their vast size and the lack of bunker rakes) play as “through the green”.
